October Family Activates

Sing-Alongs or Family Karaoke Night

Sing alongs are a longtime favorite. Choose a list of your church favorite traditional hymns and contemporary Christian hits that would be familiar. It's always good to provide lyrics when possible. If you choose to hold a karaoke night, make sure the song list is appropriate for all age audience.

Family Olympics

This event can provide a lot of family fun. Here are some suggestions for individual events to get you started.

- Hold a tricycle race for the toddlers.
- Have a water balloon toss where partners keep tossing the balloon back and forth between them until one drops it and they're out. The last couple remaining wins that event.
- Have an apple relay. The first family team member tucks an apple under his or her chin, runs to the next team member, and has to pass the apple without using any hands before they can continue. The first team to complete the relay wins.

You can make fun medals to pass out to the winners, have an opening parade and even a closing prayer ceremony. There's a lot of room fun and creativity in an event like this.

Create a Family Crest - This is a craft activity the whole family can take part in. Determine a budget for the event, you can supply the craft items needed to make the basic banner and ask families to bring glue, scissors and any decorations they want to glue on their banner.
